Check-in from 8:15-8:45 AM, classes begin promptly at 9 AM. Register online at longspeak.tentaroo.com.

Once on that site, login to your account. If you do not have an account you will need to create a personal account or use your unit's account. Under the events tab select 2017 Spring Training. You can then select the class you want to take. The system will not let you select classes that overlap so make sure you have your schedule prepared before you register.

Registration deadline is April 19, 2017. We will not accept registrations after that date!
