Spring Into Camp—Spring Fundraising Opportunity

Each week during the summer season, a group of Camp Commissioners assist the staff in helping the troops have a successful camp experience. There is a need for at least two Camp Commissioners in each of the following camps: Camp Jeffrey, and Camp Laramie Peak. We need at least three Camp Commissioners for Camp Nicol. There are also opportunities to serve in the handicraft areas and at the Camp Soaring Eagle Chuckwagon. Camp Commissioners are volunteers at summer camp.

Commissioners are provided with housing, meals, and the normal facilities of a staff member. Commissioners arrive early on Sundays, and depart late on Saturdays. They visit the troop sites on a daily basis, and work to resolve any challenges. They can assist with instructing Boy Scout Leader Fast Start Training, and Youth Protection Training. Camp Commissioners must be experienced Scouters with the ability to physically endure a week of walking at the camp. [Click here for more information](#)
