What is the Fee to Use a Range?

The Range use fee is \$30 per group per weekend. This fee is assessed for each range reserved and is non-refundable. It is due at the time of reservation of the Range. (Example: A reservation for a Rifle Range **and** the Shotgun Range would have a fee of \$60).

Who can make a reservation?

*Anyone who has completed the Longs Peak Council, Range Specialist Course may make a reservation to use a shooting range at a Longs Peak Council Scout Camp.

*You must provide a copy of your Range Specialist Certification Card, along with all necessary NRA or BSA Certification Cards at the time of reservation. A reservation will not be accepted without proper certification.

Why is there a fee to use the Ranges?

*The cost for maintenance on our Council Facilities continues to increase. It is important to us that we provide a fun and safe atmosphere for everyone using our facilities. To continue to maintain the equipment and facilities that we have, we need to collect a few to offset these
