

Longs Peak Council

SHOOTING WEEKENDS AT BDSR

The Longs Peak Council Shooting Sports Committee is hosting shooting days for all registered Boy Scouts in Longs Peak Council.

Bring your troop and spend the weekend shooting rifle and shotgun. Individuals may participate if accompanied by an adult. All youth participating must be registered Scouts. Adults who are attending but not shooting can take the discount to come for free! Units that want to camp for the weekend will need to make a reservation for camping and it will be at half the normal camping fee.

Longs Peak Council will supply ammunition, guns and targets for .22 rifles as well as guns, clay targets and ammunition for 12 gauge shotgun. Each group or individual is responsible for their meals for the weekend.

The fees are \$30 per person shooting (Scout or adult). Each shooter will get 100 rounds of .22 rifle ammunition and targets and 25 rounds of shotgun ammunition and clays. As time and space on ranges allow, you may purchase extra ammunition and targets to continue shooting. Extra .22 ammunition is \$1 for 10 rounds and extra shotgun ammunition is \$2 for 5 rounds. Registration is on a first come, first served basis. There are three rifle ranges that can accommodate 8 shooters at a time and one shotgun range that can accommodate 12 shooters at a time. Participation on the shotgun range will be at the discretion of the instructor based on ability of the shooter to handle the gun.

Shooting Weekends are scheduled as follows:

August 27-28, 2016 February 25-26, 2017
October 29-30, 2016 March 25-26, 2017
November 19-20, 2016 April 29-30, 2017
