Implementation

How we make strategy a habit

Empowerment of Staff...focus on achieving our desired results & outcomes from effective, motivational leadership, which recognizes the strengths of our staff in achieving growth.

Strategic Alliances...identifying key strategic alliances and implementing collaborative efforts to grow Scouting.

Sustained Performance...focus our efforts on establishing sustainable programs that will allow us to achieve the desired results and achieve peak performance of our strategic benchmarks.

Fiscal Management

17 Finance & Endowment: Utilize a comprehensive approach to fundraising and maximizing funding from all income sources.

17.1 Council to increase the percentage of Direct Income (Friends of Scouting, Project Sales, Special Events, and Foundation Income) from 37% to 47% by Dec. of 2021.

17.2 Each District strives to achieve Gold JTE status in Friends of Scouting metric, on an annual basis.

17.3 Focus on growing Popcorn Sale and Camp Card Product sale by 2% each year for the next five years.

17.4 Initiate the funding for a depreciation account to support our capital needs at all of our council properties.

18 Finance & Endowment: Utilize an endowment committee that will develop a comprehensive plan to secure long-term gifts for the Council.

18.1 Grow the unrestricted gifts in the endowment fund by adding new gifts each year equivalent to 2% of expenses each year.

Leadership & Governance

19 Governance: Become a model of good governance within BSA guidelines.

19.1 Establish a year-round nominating committee to recruit top-level leadership on the Board of Directors and to assist the district leadership in recruiting top-level volunteers.
