Join us for The Trainer’s EDGE, intended for both youth and adult trainers, and is required training for Wood Badge and NYLT staffs. District and council training staff, Roundtable commissioners, and anyone who wants to improve their presentation skills are welcome to attend. This session is designed to provide and help develop the platform skills of a trainer with a focus on the participant. Only practice can polish one’s trainer skills, but this course is intended to “train the trainer” on behaviors and resources while offering hands-on experience in the methods and media.

Pre-registration is required and must be received not later than one week prior to the date of the course.
