The James E. West Fellowship Award is a National recognition for individuals who contribute $1,000 or more in cash or securities to their local council endowment trusts fund. This contribution is in addition to, and does not diminish or replace, the donor’s annual gift to the council’s Investment in Character & Leadership Campaign.

Organizations or individuals may contribute an award in honor of someone—an Eagle Scout, a Silver Beaver recipient, unit leader, or district chairman, or in memory of a departed loved one, business associate, or special Scouter.

Those who are recognized by the James E. West Fellowship Award will cast their own “lengthened shadow” as they help ensure the Scouting legacy for future generations of young people and create the financial stability of the program in the twenty-first century for their local council.
